

# CURRICULUM VITAE

**Name of specialist:** Sugarragchaа Chадraabal

**Occupation:** Mining Electromechanics

**Years of experience:** 21 years

**Nationality:** Mongolian

**Membership of professional association:** Mongolian Mining Electromechanics Association

## PROFESSIONAL PREPARATIONS

|  |  |
|--|--|
| <b>Date</b><br>Professionalized course<br>Course of introduction<br><br>Name of the institution where the training was conducted | <b>2021</b><br>Human Resource Empowerment Training<br>Designing Effective Teaching and Learning, Trends in Online Learning, Developing Teacher Research Capacity<br><br>MUST, Open Education Center                              |
| <b>Date</b><br>Professionalized course<br>Course of introduction<br><br>Name of the institution where the training was conducted | <b>2016</b><br>Development of Teaching Methods<br>Effectively organizing teaching and learning, developing psychological and teacher research capabilities<br><br>Mongolian Swedish Joint Society                                |
| <b>Date</b><br>Professionalized course<br>Course of introduction<br>Name of the institution where the training was conducted     | <b>2016</b><br>Research Performance Method-MENDELEY<br>Developing teacher research capabilities<br><br>Mongolian Women Engineers, Technology, Scientists, and Mathematicians   |
| <b>Date</b><br>Professionalized course<br>Course of introduction<br><br>Name of the institution where the training was conducted | <b>2013</b><br>Methods for developing electronic learning applications<br>Effectively organizing teaching and learning, and developing online learning trends and capabilities<br><br>National Center for Information Technology |
| <b>Date</b><br>Professionalized course<br>Course of introduction<br>Name of the institution where the training was conducted     | <b>2013</b><br>English courses<br>Developing teacher research capabilities<br><br>MUST, DaTS   |
| <b>Date</b><br>Professionalized course<br>Course of introduction<br>Name of the institution where the training was conducted     | <b>2010</b><br>Use Matlab software in engineering calculations<br>Using Matlab software in calculations<br><br>MUST, DaTS  |
| <b>EDUCATION:</b>  |  |
| Graduated date<br>Profession<br><br>Subject of diploma<br>Institution  | <b>2018</b><br><b>Mining Mechanical Engineering</b> (Doctor of philosophy in technical science)<br>Study on reliability of mining dump trucks<br>Mongolian University of Science and Technology                                  |

---

|                    |   |
|--------------------|---|
| Graduated date     | <b>2002</b>   |
| Profession         | Master of engineering in Mining electric                    |
| Subject of diploma | Evaluating Reliable working Condition of Mining Dump Truck. |
| Institution        | Mongolian University of Science and Technology              |

---

|                    |  |
|--------------------|--|
| Graduated date     | <b>2001</b>  |
| Profession         | Bachelor of Engineering in Mining Electromechanics   |
| Subject of diploma | Mechanization and electrification of Shivee-Ovoo coal mining with a capacity of 1.2 million tons Coal per year |
| Institution        | Mongolian University of Technology   |

---

|                       |                                     |
|-----------------------|-------------------------------------|
| <b>Date</b>           | <b>2010-</b> MUST, DaTS             |
| Position              | Lecturer                            |
| Main function of work | Training and research work          |
| Office address        | Darkhan-Uul District Whitechulut -5 |
| Work sector           | Education                           |

---

|                       |  |
|-----------------------|--|
| <b>Date</b>           | <b>2002-2010</b> MUST, DaTS                                    |
| Position              | Lecturer   |
| Main function of work | Learning activities to create conditions for normal activities |
| Office address        | Darkhan-Uul District Whitechulut -5                            |
